Finepac® Structures Pvt. Ltd.

QUALITY POLICY

We thrive to be an Organization which is Customer Centric with strong human capital. It is our endeavour to serve our customers in the best way possible and provide them with the best in class products and services .We aim to achieve this by continual improvement in our systems and procedures and develop an innovative and creative work environment.

We endeavour to achieve this by doing the following :

- Developing a clear understanding of our customer requirements.
- Developing a clear strategy that helps us provide our customers the best products and services.
- Rigorous adherence to international Quality standards and codes.
- Developing manufacturing process with a high level of in-built Quality.
- Implementing a thorough Quality Management System with measurable Quality objectives.
- Regularly reviewing and updating of our Quality Management System.
- Promotion of Quality awareness through all the levels of our organisation .
- Enhancing Productivity by developing world class infrastructure and technological improvisation.
